

Miya Epoch

R800 English Edition

The next-generation model the Miya Epoch R800 English Edition has the power as much as the CZ-9 Ex class and features the latest technology in the medium-sized body. Equipped with the world's first electric lever drag with adjustment using a sub motor. It is also the first medium-size reel using the same main motor as the CZ series, giving it a maximum instantaneous winding power of 75kg. The reel can be switched between speed /power mode to suit any situations. An LCD with six back light colors to choose from and a carbon weave drag lining have been newly incorporated.

Reel size / W270×H110×D155mm

R800 English Edition

Item	Product Code	Drag Capacity	MAX Winding Power	Winding Power	MAX.Drag Winding Speed	Power Consumption	Gear Ratio	Line Capacity / When use Miya New Deep Sensor		Ball Bearing	Weight
