

October 2025

Dear Customers

MIYAMAE CO., LTD.

Miya Epoch Electric Reel

Announcement of the expiration of Repair and Overhaul

Thank you for your continued use of Miya Epoch products.

We would like to inform you in advance that repair/overhaul services for the following ten models will expire at the end of January 2026.

We will retain parts for electric reels for 7 years after production has been discontinued.

In addition, we will discontinue repair/overhaul services for all models that have been discontinued for more than 7 years, in accordance with our company regulations.

We would appreciate your understanding.

Models which repair/overhaul services will expire at the end of January 2026
